Info on returning your rental car outside of our opening hours

Entrance from Københavnsvej – eastbound direction only!

- If driving westbound on Københavnsvej, please look at the map on page 2 for directions

We do not close the gate. You can park your rental car 24/7

If there are no free parking spots by the fence on either the left or right side, please drive as far down the middle as possible to make room for the cars being returned

Key return is in the middle of the building – between the office and the first gate
